

Council of Chairs
Nov. 27, 2012

Present: Tom Costa, Bryan Hoyt, Alex Edwards, Robin Benke, Cathie Collins, Jeff Cantrell, Suzanne Adams-Ramsey, Rachel Tighe, John Adrian, Margie Tucker, Amelia Harris, David Kendall, Sandy Huguenin

Mr. Huguenin sent letters to faculty this morning outlining the rationale for salary increases, and included a spreadsheet with salary figures but no names.

The January faculty workshop will focus on advising. Five two-hour sessions will be held on January 10 and 11, with two departments per session. A tutorial to new Jenzabar updates will be given. Light refreshments will be served.

The Provost and Academic Dean will meet separately with each Department Chair to discuss assessment and WEAVE reports. This is necessary to be compliant with SACS. At the SACS meeting in December Huguenin and Harris will look at alternatives to WEAVE, and identify a few for Department Chairs to review.

A revised post tenure review policy has been accepted by the Faculty Senate executive committee and reviews will begin in the spring.
