Announcements

The advising ad hoc committee continues to meet. The committee has recommended that, beginning next spring, students who have completed at least 60 hours and students who have declared a major will not be able to register for classes without the approval of their faculty advisor.

Departments need to complete their assessment reports for academic years 2011-12 and 2012-13. Particular attention should be paid to areas of weakness and the action plan.

A discussion was held regarding faculty salary adjustments. Faculty who desire further information should contact Mr. Huguenin or Mr. Bevins.
