

Council of Chairs  
April 12, 2016

Present: Bryan Hoyt, Sandy Huguenin, Michael McNulty, Jacob Somervell, Amelia Harris, Jeff Cantrell, Tom Costa, Margie Tucker, Narda Porter, Robin Benke, John Mark Adrian, Frank Frey, Cathie Collins, Rachel Tighe

Narda Porter was present to discuss the College's compliance with recent legislation requiring a policy regarding credit granted for Advanced Placement, Cambridge Advanced, College-Level Examination Program or International Baccalaureate examinations. All colleges must provide justification for the credit given. The departments provided most of this in 2012-13; Narda will prepare a draft document and share it with the Department Chairs for input.

Tom Costa asked for student papers from majors in all disciplines, of 8-20 pages from upper division courses required by the major. These will be used to set baselines for the QEP.

Cathie Collins asked faculty to send comments regarding Aetna health insurance issues to her. She serves on a committee created by the Faculty Senate to review the College's health insurance coverage.
