Ms. Harris announced that the SACS report was sent out on Friday, Feb. 27.

Mr. Huguenin and Ms. Porter presented several options for making up the class time missed due to the recent snow. After much discussion, Mr. Huguenin said a new proposal will be created incorporating some of the suggestions.

Bryan Hoyt asked if the Council could discuss a few concerns involving Title IX. Although there was not enough time to consider this topic today, Chris Scalia said this item is on the agenda for the Faculty Senate meeting tomorrow (March 4).
